NOTES:

EXTENDING THE TERM OF THE CONTRACT.

An option for one additional 365 day period is included as part of this contract. The Government may exercise the option at any time; however, it shall be accomplished no later than the last day of the Basic Contract Performance Period.

THE SF1442, THE BIDDING SCHEDULE, AND THE SECTION 00600 (REPRESENTATIONS AND CERTIFICATIONS) MUST BE ACCURATELY COMPLETED AND RETURNED WITH YOUR BID OR IT MAY BE REJECTED AS NONRESPONSIVE.

LACK OF REGISTRATION IN THE CCR DATABASE WILL MAKE AN OFFEROR INELIGIBLE FOR AWARD. SEE CONTRACT CLAUSE 252.204-7004 ENTITLED "REQUIRED CENTRAL CONTRACTOR REGISTRATION (MAR 1998)."

- (a) Bidders shall furnish unit prices for items listed on the schedule of bid items which require unit prices. If the bidder fails to insert a unit price in the appropriate blank for required items, but does furnish an extended total or an estimated amount for such items, the Government will deem his unit price to be the quotient obtained by dividing the extended estimated amount for the line item by the quantity. IF THE BIDDER OMITS BOTH THE UNIT PRICE AND THE EXTENDED ESTIMATED AMOUNT FOR ANY ITEM, THE BID WILL BE DECLARED NONRESPONSIVE.
- (b) All quantities shown on the BIDDING SCHEDULE are estimated quantities except when the unit of measure is shown as "lump sum", "job" or "each".

- (c) If a bid or modification to a bid based on unit price is submitted which provides for a lump sum adjustment to the total estimated cost, the application of the lump sum adjustment to the unit price in the schedule must be stated. If it is not stated, the bidder agrees that the lump sum adjustment shall be applied on a pro rata basis to the unit price in the Bid Schedule.
- (d) Item Nos. 0001A, 0001B and 0001C or 0002A, 0002B, and 0002C have been subdivided into a sub-item. Contractors shall bid on only one of these two subdivided bid items. A bid for the work shall include a bid for each of the sub-items for either Item 0001A or 0001B or 0001C and 0002A or 0002B or 0002C. Bidders should refer to Section 00800 SPECIAL CONTRACT REQUIREMENTS, paragraph entitled "VARIATIONS IN ESTIMATED QUANTITIES—SUBDIVIDED ITEMS" before preparing their bids for this item.
- (e) All extensions of the unit price shown will be subject to verification by the Government. In case of variation between the unit price and the extension, the unit price will be considered to be the bid.
- (f) Award will be made as a whole to the lowest responsive, responsible bidder as may be in the best interest of the Government.
- (g) Except for the subdivided bid items as noted in paragraph (d) above, Bidders shall include a bid price for all items for both the Base Year and the Option Year. Failure to provide bid prices for all payment items for both the Base Year and the Option Year will render the bid non-responsive.
- (h) The Contract Base Year will be three hundred sixty five (365) days from date of award, unless it becomes necessary to terminate the contract earlier under the provisions of Contract Clause entitled, CONTINUING CONTRACTS.
- (i) The Contract Option Year will be three hundred sixty five (365) days from the date the Contracting Officer exercises the Contract Option Year, unless it becomes necessary to terminate the contract earlier under the provisions of Contract Clause entitled, CONTINUING CONTRACTS.
